Dear Mr. Harris,

Thank you so very much for your generous contribution of \$1,000 which you have designated for parties/special activities for UJA-Federation Community Trust beneficiaries. This fund will help assure that trust beneficiaries can comfortably participate in birthday parties/special activities, which they might not be otherwise able to attend.

Your thoughtfulness is very much acknowledged.

This is to acknowledge that your contribution was made as a gift to F-E-G-S. The Internal Revenue Code provides that no deduction will be allowed for separate contributions of \$250.00 or more unless the taxpayer substantiates it with a written acknowledgment from the organization to whom this gift was made. Accordingly, we suggest that you keep this letter with your tax records.

Thank you again.

Sincerely,

Gail A. Magaliff

MEMORANDUM

TO: ELLEN MILLMAN

FROM: AL MILLER

DATE: DECEMBER 19TH, 1996

RE: THE RUSS KANON FUND

Mrs. Kanon had called me and wanted to make some kind of memorial tribute to her son, Russ, who passed away and was a recipient of Trust services.

I had suggested that we set up a small Fund which would help individuals who are part of the Trust who need some extra help and assistance.

Mrs. Kanon sent us a check for \$1000 to start the Fund, and perhaps it would be possible to get some additional contributions as we move along.

I have asked Lenny Silver to set up the Fund and would appreciate your administering it in accordance with Mrs. Kanon's wishes.

If you have any questions, please call me.

cc: Lenny Silver

BLIND NOTE TO LENNY SILVER: PLEASE SET UP A FUND IN ACCORDANCE WITH THIS LETTER.
